Work-Ride Learning Session—Teaching saddling, bridling, grooming, and skills required to participate in the Work-Ride sessions. We recommend students take this session to ensure their knowledge of the skills required for the Work-Ride Session. Excellent for review if your rider hasn't been horsein' around for awhile. Bring note pad & Pencil to class.

Download the workbook we will use: http://www.morganhorse.com/upload/photos/1828Bulrush_Youth_Workbook.pdf

Work-Ride Testing—To participate in WORK-RIDE WEEK LONG SUMMER SESSIONS students are **required** to pass a Test of necessary knowledge & skills prior to enrollment., unless they have previously attended the Work-Ride program or are approved by Instructor. Testing date to be arranged- takes 2-3 hours. Fee \$25.00

Release form required for each of these sessions. Can be down loaded from this site.
